Limited One Year Warranty

Energeno Limited warrant this product for a period of 1 year from date of purchase for all defects in material and workmanship, subject to the provisions described below.

If this product fails to perform as described within the warranted period, it will be repaired or replaced with the same or functionally equivalent product by Energeno Limited, at its discretion, free of charge provided you:

- 1 / return the failed product to Energeno Limited, properly packaged against damage in transit, with shipping charge prepaid, and
- 2 / provide Energeno Limited with proof of the original date of purchase. Returned or replacement products will be returned to you with shipping charges prepaid by Energeno Ltd.
- 3/ connect the socket to a 210V-250V 50Hz power supply.

Replacement products may be refurbished or contain refurbished materials. If Energeno Limited, at its sole determination, is unable to repair or replace the defective product, it will refund the depreciated purchase price of the product.

The warranty does not apply if, in the judgement of Energeno Limited, the product has failed because of damage during shipment, handling, storage, accident, abuse, misuse, or if it has been used or maintained in a manner not conforming to product manual instructions, has been modified in any way, or has had any serial number removed or defaced. Repair by anyone other than Energeno Limited or an approved agent will void this warranty.

The maximum liability of Energeno Limited under this warranty is limited to the purchase price of the product covered by the warranty. The end customer or the reseller from whom the end customer originally purchased the product, must obtain a return authorisation number from Energeno Limited, before returning the defective product.

Declaration Of Conformity

Optiplug

Energeno Ltd of 70-74 City Road, London, declare that the listed product has been tested for CE marking according to the following EU Directive:

- The R&TTE Directive 1999/5/EC
